President's Report

On behalf of Box Hill Cricket Club, I would like to thank everyone who has assisted, volunteered, played, and contributed over the past 2021/2022 cricket season.

Once again, this season was one of the most challenging any sporting association and club has encountered. Box Hill Cricket Club was no exception and, once again, all members were asked to make personal contributions and sacrifices to ensure that there was indeed no interruption to the season. COVID continues to change and challenge many of the aspects of sport. Cricket is certainly not immune to these challenges.

I would like to thank all members for their assistance in helping the club deal with the challenges of COVID-19

Once again, these changes and challenges affect areas such as fundraising, sponsorship and participation levels and definitely increase our cost base. As a result, volunteers and committed club members are of vital importance

Furthermore, on behalf of the club, I would like to thank all of those who have helped coach, umpire, manage, assist, and lead throughout the season just gone. Your contributions are invaluable and appreciated by all members of the club.

To our sponsors, Blackburn Nissan and Steadfast Freight Management, we appreciate and are very thankful for your contributions to the club. The Box Hill Cricket Club look forward to mutual beneficial relationships with these companies.

After several years of the club lobbying, governments, councils and members attending countless meetings, the development of our cricket facilities and Box Hill City Oval including the nets, changing rooms and pavilion has been approved by the Whitehorse Council and the Federal Government. Funding for the project has now been guaranteed. This exciting decision will ensure we continue to improve our standings within the local community and further increase our relevance and standings within the Victorian cricket community, including both the VSDCA and Cricket Victoria. The club has played a significant part in this

redevelopment process and will continue to do so. I would also like to thank the assistance we have received from the Box Hill Hawks Football Club in this redevelopment project.

Our relationships with both Cricket Victoria and the VSDCA are excellent and highlighted by the fact that our opinions are valued and respected in the cricket community. The forthcoming season brings new challenges and I firmly believe that the club has laid the foundations for continued success both on and off the field.

I would also like to thank my fellow committee members for their tireless efforts throughout the season. Since the end of the season, there has been much work done in ensuring the continued wellbeing of Box Hill Cricket Club and improving our levels of success both on and off the field. I am confident that we now have in place a management team and structures that will ensure these positive outcomes.

Once again thank you to all who have invested time and effort into our club. We look forward to the new season and hope to see everyone once again proudly representing Box Hill Cricket Club.

Andrew Minter

President

BHCC

Secretary's Report

Looking back on the 21/22 season, it was one of mixed results and great learnings. Across all of our cricket programs, it was great to see the women's teams make finals, the men's program were unfortunately off the pace but it was awesome to see the growth and on field success in the juniors.

Regardless of cricketing outcome, there's always a little army of volunteers working hard to get all our players on the pitch so well done to the everyone involved at the club. Being another year impacted by COVID delays and restrictions, it is never as straight forward as we like so it's a testament to everyone from players, to parents, to coaches and volunteers for preserving.

Thank you's are due to all our of associations across our senior and junior programs as well as to the Whitehorse City Council and the ParksWide team. Our shared tenant, in the Box Hill Hawks Football Club, have also been fantastic in this last season so it's great to see the relationship blossoming there.

Well done to all our volunteer coaches, team managers and scorers across all programs. You are all playing an vital role at the club so thank you for your contributions that undoubtedly make a world of difference for our players.

On a personal note, I am finishing as Secretary after 2 seasons in the role and would like to express my gratitude to everyone who has supported me along the journey. We have a plethora of great people at this club who are always willing to help out whether that be with a small job, a bigger role or just some advice. I'll remain on the committee so I look forward to still contribution to our proud club and I'll see everyone around the club again next year.

Brant Hubber

BHCC Secretary

Treasurer's Report

For the Season 2021/22 the Box Hill Cricket Club recorded a \$2,938 loss. This result compares with a \$2,948 profit recorded in the season prior (2021/21). The small loss position was expected for the year and after a challenging period can be seen as a beneficial result considering the following challenges:

- Despite coming out of COVID, the incentive of waived rental fees from Whitehorse City Council were reduced due to a smaller portion of the season being lost (\$6,125 waived compared to \$15,170 in 2021)
- COVID-related grants reduced (\$1,000 compared to \$8,000 in 2021)
- These COVID subsidies were not enough to offset the increase in social/fundraising revenue from the openings of the bar (circa \$3,000 net increase) and increase in subscriptions

Like the rest of the community, the Club faces significant near-term challenges from COVID-19 and continues to engage with key stakeholders regarding the potential financial impacts on players and the Club. In particular, the Club would like to thank the Whitehorse City Council's financial support through waiving of ground rental fees as well as the new sponsors that came on board this year to help contribute to the club.

Overall revenue decreased by \$478 to \$117,185. A great achievement contributed by increased participation numbers (particularly juniors) and opening of the bar and other social activities generating revenue. The Club continues to rely heavily on the support of Cricket Victoria through agreed Cricket Expense Reimbursements (\$31,649) and Strategic Activity Funding (\$1,000), the latter supporting the Club's investment in the Meg Lanning Academy and junior development program. The Club wishes to thank Cricket Victoria for its continued strong support of its Women's cricket program and efforts to drive further participation by females of all ages.

The lack of third-party Sponsorship is a continuing concern and needs to be a key focus of not just the Committee but the Box Hill Cricket Club

community – please approach the Committee with ideas and suggestions. The goal for the club is to return to pre-covid period of level sponsorship and driving greater relationships with the community.

Notable changes in income versus the season prior were a decrease in Subscriptions (\$3,169) and Prize Money from Cricket Victoria (\$1,000). The Club invested significantly in the Meg Lanning Academy which was mostly funded by fees (\$8,535) and Cricket Victoria Activity Funding. Jason McNulty should be commended on the huge effort he undertook to organise and manage this program under constantly changing conditions. The Club was also able to secure a number of COVID relief grants – \$4,500 from Whitehorse City Council, \$2,000 from Bendigo Bank and \$1,500 from the Victorian Government's Community Sport Sector COVID-19 Short-Term Survival Package.

Social & Fundraising profits (increased by \$2,934) were benefited by the easing of regulations and opening of social club rooms during the season on the back-end of the COVID lockdowns. I would like to personally thank the assistance provided by Michelle Winterton for managing the bar as well as the never-ending assistance provided by Brant Hubber across a number of areas at the Club.

Overall expenses increase by \$4,958 showing the overall up-keep required to run the club. However as mentioned, ground rental fees increased from prior year despite being partly waived by the Whitehorse City Council. The key increases were driven by a longer cricket season than prior year seen by increased curator costs (\$1,560), planning and fundraising expenses (\$2,976) and as mentioned ground rental. All these expenses are all expected to significantly increase in FY23 and are hoping the relevant revenue that comes with this expenditure rises at the same capacity.

Savings were made in some areas however a number were COVID-related disruptions and will be required expenditure in FY23. This includes a reduced pre-season / indoor training costs which were still significantly lower than 2019/20, clothing/club merchandise (\$2,884) and light / power / cleaning (\$1,017 lower than 2019/20). There will be increased cost pressure during FY23 that will need to be funded by additional revenue.

The Club's cash position increased by \$16,788. However, the key contributors to the difference between cash and accounting profit for FY22 were the payment of rental fees due to the late invoice being received by the club, and less balls and equipment purchased due to the large amount of prior year purchases and in particular the utilisation of the high level of balls held at 30 June 2022.

In summary, Season 2021/22 saw a minor loss, however with complete easing of restrictions the social and fundraising revenue should significantly impact the bottom line of the club in a positive manner. The club has been extremely prudent in managing its expense line for some time now and will continue to seek ways to “do things better”. If we wish to grow our cricket program (men, women and juniors), continue to enhance the coaching we offer and invest in our players, we must grow the Club's income streams quite significantly for next season and into the foreseeable future.

On behalf of our members, I thank all our valued sponsors and partners, particularly the Surrey Hills Community Bank Branch of the Bendigo Bank and the continued support of Fashion Clubwear. A number of members of the Box Hill Cricket Club Community also supported the Club through donations. Your greatly appreciated support assists the club in delivering programs and initiatives to benefit our Juniors, Senior Women and Senior Men.

Ben Tatterson

Treasurer

Notes to the Financial Report for the Year Ended 30 June 2022

1. Statement of Significant Accounting Policies

1) Statement of Compliance

The Committee has determined that the incorporated association is not a reporting entity because there are no users dependent on general purpose financial statements. The financial report is a special purpose financial report which has been prepared in order to satisfy the financial reporting requirements of the *Associations Incorporation Reform Act (Victoria) 2012*.

These financial statements have been prepared in accordance with the following Australian Accounting Standards:

AASB 101	Presentation of Financial Statements
AASB 108	Accounting Policies, Changes in Accounting Estimates and Errors
AASB 110	Events Occurring After Balance Date
AASB 1031	Materiality
AASB 1048	Interpretation of Standards
AASB 1054	Australian Additional Disclosures

2) Basis of Measurement

The financial statements have been prepared on an accrual basis, are based on historical cost and do not take into account changing money values except where specifically stated.

2. Specific Accounting Policies

The accounting policies set out below have been applied consistently to all periods presented in these financial statements.

1) Income Tax

The association is a not-for-profit organisation and is exempt from income tax under section 50-45 of the *Income Tax Assessment Act 1997*.

2) Goods and Services Tax (GST)

The association is not registered for GST and is not required to be registered for GST while its income remains under the GST threshold.

3) Revenue

Revenue is measured at the fair value of the consideration received or receivable. Donation income is recognised when the entity obtains control over the funds, which is generally at the time of receipt.

4) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks and other short-term highly liquid investments with maturities over twelve months.

5) Receivables

Receivables are non-derivative financial assets with fixed or determinable payments that are not quoted on an active market and are not stated at amortised cost using the effective interest rate method.

6) Inventory

Inventory held for sale or future use is measured at the lower of cost and net realisable value.

7) Plant and Equipment

Plant and equipment are carried at cost less accumulated depreciation.

The carrying amount of plant and equipment is reviewed annually by the Committee to ensure that it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the assets' employment and subsequent disposal.

8) Depreciation

The depreciable amount of all fixed assets is depreciated on a straight-line basis over each asset's useful life to the association, commencing from the time the asset is held ready for use.

9) Trade Creditors and Other Payables

Trade Creditors and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the association during the reporting period, which remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days on recognition of the liability.

10) Prepaid Revenue

Prepaid revenue is revenue received in advance and represents the liability outstanding for goods and services not yet provided by the association as at the end of the reporting period.

11) Related Party Transactions

Andrew Minter, the President, holds positions in Fashion Clubwear that result in him having control or significant influence over Fashion Clubwear Pty Ltd. Fashion Clubwear Pty Ltd transacted with the association during the year through its role as clothing supplier and sponsor. The terms and conditions of these transactions were no more favourable than those available, or which might reasonably be expected to be available, in similar transactions with non-key management personnel related companies on an arm's length basis.

Declaration by Members of the Committee

The Committee has determined that the association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Notes 1 and 2 to the financial report.

In the opinion of the Committee, the financial report presents a true and fair view of the financial position of Box Hill Cricket Club Inc. as at 30 June 2022 and its performance for the year then ended.

This statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the Committee by:

A handwritten signature in black ink, appearing to read 'A. Minter', written over a horizontal line.

Andrew Minter

President

A handwritten signature in black ink, appearing to read 'B. Tatterson', written over a horizontal line.

Date: 25th July 2022

Men's Head Coach Report (and Men's 2nd XI Report)

Following my appointment as senior men's coach, work began recruiting and preparing for preseason. Unfortunately, as per the previous year, both the pre-season and season proper were delayed due to extended lockdowns. In addition, was the news that Jack McLaren, Sam Kimber and Rajiv Kumar had taken the next step to Premier level, AB Siddiqui was moving to Sydney for work and Ryan Webster was retiring. This was further exacerbated by injuries to Muhammad Saeed prior to round 1, Tom Newman after rounds 2 and 4.

Not dwelling on these departures, we looked to the return of James Box and Luke Davidson as well as several new recruits, Vernon Mittal, Alexi Capsalis and so on, to help build strength, depth, and bring youth in the list.

1st XI finished 14th (3 wins 10 losses 2 draws)

With a new look first 1st XI, we went into round 2 (round 1 was rescheduled due to wash out) against a very strong and recently promoted to the VSDCA, Strathmore CC, only to lose in the final overs.

Having both Tom Newman and Muhammad Saeed returning from injury, the 1st XI finished the year off strongly with wins against both Kew (eventual premiers) and Plenty Valley.

Standout performances

*As per 1st XI Captains Report

2nd XI finished 15th (2 wins 12 losses 1 draw)

The 2nd XI, whilst a very young side, did manage to put together some competitive losses, just not being able to get across the line unfortunately.

It was very pleasing to see these young players really start to develop, alongside the talented, new recruits. Ongoing development of current young players will undoubtedly lead to future success for Box Hill.

Standout performances

SH Storan 4/22, A Chobisa 53, NG Flinn 57 v Noble Park. Y Khushalani 52 v Bayswater. SD Alberico 75,

NG Flinn 63 v Croydon. DJ Pietz 4/24, M Saeed 1/14 v Mt Waverly. T Barelli 56 n.o v Ivanhoe

I would like to thank Tom Barell for his support both on and off the field, Matthew Harvey and Kylie Pietz for their efforts in scoring.

3rd XI finished 7th (3 wins 10 losses 1 draw)

The 3rd XI, another young side, well led by Michael Vozzo and Brendan King, however on field success eluded them.

Standout performances

T Wainwright 5/33, L Kukuruzovic 83 v Port Melbourne. A Panjekar 4/33 v Noble Park. L Myszka 101, T Wainwright 108 no, T Vozzo 5/29 v Donvale. AR Mayekar 70 v Elsternwick. R Cramb 5/2, L Myszka 64 v Donvale

4th XI finished Runners up (8 wins 6 losses 2 draws)

With a good mix of youth and experience, the 4th XI were extremely well led by Scott Morris. While winning a hard fought semi final against Croydon, the 4th XI were unfortunately unable to replicate this the following week against Balwyn in the Grand Final.

Standout performances

A Guha 4/17, S Morris 85, B Mahadeva 68 v Moorabbin. S Morris 59 v Noble Park. P Robertson 53, J Pietz 0/18 off 8 overs v Balwyn. A Guha 63 v Moorabbin. TM Reed 67, GM Comte 75 v Donvale. J Pietz 4/10, DF Reed 2/15 Semi Final v Croydon.

Summary

While the season was unsuccessful overall, I'm most proud of the way we finished the year, what otherwise would have been a clean sweep had Ivanhoe been able to get a wicket up. Notable highlights are the progression of some of the young members at the club. A continual improvement of the youth and solid recruiting in 2022/2023 is looking to be a highly competitive year for the Box Hill Cricket Club.

I would like to thank the committee for appointing myself as coach for season 2021/22, my first Head Coaching role. I would also like to thank Scott Hubber, Richard Armstrong, Ken Trollop and Michael Vozzo for their ongoing support, along with

the captains, Tom Newman, Hayden Raynor,
Michael Vozzo, Brendan King and Scott Morris.

Simon Cornelius

Senior Men's Coach (VSDCA)

Women's Head Coach Report

Preseason commenced during intermittent periods of lockdown followed by COVID restrictions, which saw our new coaching panel undertaking training of players in reduced numbers in what was a challenging environment. Nevertheless, the playing group attacked the preseason with gusto having been starved of physical activity.

Our preseason focus centred on an ability to rotate strike from a batting perspective along with execution to a high standard with both the ball & in the field.

We welcomed numerous new players to the club who were all forced to wait until Round 2 to debut with the traditional Round 1 washout.

We enjoyed strong results throughout the pre-Christmas period with our 1stXI achieving a 3-2 win/loss record highlighted by our Round 5 victory against Plenty Valley Cricket Club, which saw season best individual performances from Anna Lanning with 106 n.o. & Isa White with 5/26.

Our 2ndXI, under the tutelage of new Coach Dave Williams, immediately gelled & produced brilliant & consistent cricket across both One Day & T20 formats to be sitting top of the ladder at Christmas with a 6-1 win/loss record.

With a new look team, our 3rdXI also began to make progress sitting with a 3-4 win loss record whilst our Community team provided opportunities for players new to the club & senior Women's cricket.

During the post-Christmas period, as with many clubs, COVID began to impact upon playing numbers due to unavailability & throughout this period our results were impacted, particularly our 1stXI, which experienced difficulty containing our opposition with the ball & posting competitive scores with the bat.

Throughout early 2022, our 3rdXI enjoyed what could be considered their best win of the season when Captain Nicole Breschkin with 71 n.o. & club stalwart Michelle Winterton 98 n.o. shared an unbroken partnership of 201 in a defeat of Plenty Valley Cricket Club.

Our Community team also posted their first victory for the season in Round 7 against Heatherdale Cricket Club.

With 4 rounds remaining & sitting outside the top 4 it was do or die time for our 1stXI & fortunately during this period we secured the services of English international Kirstie Gordon who immediately had a profound impact upon not only the 1stXI but the entire playing group with her professional attitude & desire to maintain high standards.

Over the ensuing 3 rounds we played our very best cricket for the season, which included an outstanding team effort against a strong Dandenong Cricket Club outfit with the majority of their contracted players available & then defeating eventual premiers Melbourne Club Cricket at home on the back of a superb captain's knock by Zoe Griffiths of 79 n.o.

We recorded mixed results from our other XI's throughout the aforementioned period as a compressed season & the hotter weather began to take a toll particularly on the younger members of our playing group. The equation was simple for our 1stXI heading into the final round game against Essendon Maribyrnong Park Cricket Club, specifically win & rely on other results favouring us.

After posting a mediocre total & the opposition then building strong partnerships & appearing in control of the run chase we refused to give up & continued to believe which saw us take a remarkable 8/20 in a chaotic finish & win by 3 runs.

With results from other games favouring us we snuck into 4th position & a finals berth.

Our 2ndXI also qualified for finals finishing 2nd on the ladder guaranteeing a home final.

In a superb bowling & fielding performance in the Semi Final which included 2 run outs our 2ndXI were able to defeat quality opponents Dandenong Cricket Club at home to qualify for a Grand Final against the yardstick of the competition Melbourne Cricket Club.

Having approached & played the final 4 rounds of the season as basically a knock out final our performance in the Semi Final against Melbourne Cricket Club was not what we had hoped it would be as we experienced difficulty building partnerships

against the premier bowling attack of the competition.

Whilst being defeated in our Semi Final our players continued to give their all & stuck together representing us proudly.

We fought hard to post a competitive total in the 2ndXI Grand Final, however, were ultimately overwhelmed by the depth of talent possessed by Melbourne Cricket Club & to see the disappointment of the result on the players faces was testament to their character along with their desire to achieve premiership success for both themselves individually & the club collectively.

We can proudly say that our season overall was a success however we need to continue to work hard in bridging the gap as Melbourne Cricket Club set the benchmark across all 3 Premier Women's grades & this should be motivation for everyone in our program to strive to be the very best players & club we can possibly be heading into season 2022/23.

Indicators of our progress as our club begins to go through generational change include 9 debutants in our 1stXI along with the following players who represented our State with distinction:

- Anna Lanning, Rebecca Carter (WNCL)
- Ashling O'Farrell, Yashoda Senathratne, Lara Shannon, Isa White (Under 19)
- Katherine Dekel, Amalie Gladman, Jasmine Gouldson, Vaishnavi Munukutla, Suni Plant (Under 16)

Congratulations also to both Zoe Griffiths & Holly Spencer on their selection in the Women's Premier Team of the Year with Zoe earning her 5th selection & Holly her first.

I would like to thank outgoing Women's Cricket Director Jason McNulty for all of his dedication & commitment along with our panel of Coaches including Dave Williams, Joshua Barr, Michael Hancock, Rebecca Brown & Kathryn McDonald who devoted themselves to ensuring that our players were as well prepared as they possibly could be game day.

To our Captains, Zoe Griffiths, Pennie Harrison, Emma Stilve, Nicole Breschkin & Eilis Murphy, I

thank you for all of your efforts whilst I would also like to thank Andrew Minter & the committee for your ongoing support & encouragement which was very much appreciated.

Finally, I would sincerely like to thank our entire playing group for all of their efforts throughout the season & I remain incredibly excited & energised by what the future holds for our great club as we enter the preseason phase of season 2022/23.

Go Tang!

Richard Armstrong (Senior Women's Coach)

Men's First XI Report

It was another tough start to pre-season and the season itself, with a lockdown starting the night we were supposed to have our first preseason session. However, I'm very thankful for everyone that played cricket for Box Hill this season 21/22. For the 1st XI it was the season where a lot of people got their opportunity. We were able to give 10 players across the season their first 1st XI game. The highlight for me was seeing David Blake play his first 1st XI game after playing at the club his whole life.

Our top Performers this season

Batting:

Blake Nikolic 348 runs @ 26.77

With two half centuries to his name (55 vs Preston and 55 vs Mt Waverley), Blake was an extremely consistent performer for us throughout the year and was a mainstay in our batting line-up at the top of the order.

Bowling:

Hayden Rayner 17 Wickets @ 30.29.

Hayden was a great contributor with the ball again this season and produced some fantastic performances in wins including 4/33 against Noble Park and 3/20 against Mt Waverley.

Highlights this season

Noble Park (Rd.1)

With round 1 being postponed due to weather, it was a great all-round performance from the side. With the bat many lads got starts, however, Alexi Capsalis and Liam Dick were able to put on 46 for the last wicket and push our score to 8/162. Once we got going with the ball it was a fantastic performance from each bowler to slowly dry up the runs and create pressure and eventually bowl Noble Park out for 142.

Kew (Rd. 12)

To beat eventual premiers in Kew in round 12 was a great reward for players who had worked hard through the season. Having lost the toss, our spinners went to work and reduced Kew to 8/48

with Liam Dick opening the bowling with 9 overs 1/14 and Muhammed Saeed bowling 4/22 off 9 overs. Liam Dick batting through the innings for a hard fought 28 and Vernon Mittal coming in and making a crucial 38 to steer us home.

It wasn't a very successful season, however, it was great to see so many boys get a crack at 1st XI cricket which will hopefully hold us in good stead for this coming season and make everyone hungry to come back and make us stronger.

I just want to thank everyone who volunteered and contributed throughout the season. Especially Lachie who scored for us each week, your help was greatly appreciated. Michael Vozzo for all your assistance, Ken Trollope for all your hard work with the teams and Simon, for all your hard work as coach

Bring on season 22/23.

Women's First XI Report

In what was another difficult, short season with no afternoon teas, separate drink bottles and social distancing, there were plenty of positives throughout the season. With a relatively young team this year, a new coach, and the challenges of injuries and COVID, we continued to make finals for the 13th year in a row.

The season started with the arrival of our new coach, Richard Armstrong, who was able to help recruit some talented young players to the club. Although we lost a few experienced players this season, the future of our first XI was looking as strong as ever. We had 25 players play in the first XI this season, with 9 debutants; Yashoda Senarathne, Sayali Abhyankar, Sunny Plant, Ellen Bradley, Amelie Gladman, Vaishnavi Manukutla, Leah Charalambous, Jas Gouldson and our English recruit, Kirstie Gordon.

It was an up and down season for us. We started the season strong, winning 3 of our first 4 games with a number of highlights including Holly Spencer scoring her maiden first XI 50, a brilliant 100 from Anna Lanning and Isa White collecting a 5/26.

The next 5 rounds unfortunately didn't go our way, going down in all 5 in some close contests which left us a task for the last 4 rounds if we were to make finals. Despite losing 5 in a row, there were plenty of positives to come from those matches including Sunny Plant, Jas Gouldson and Vash Manukutla's first 1st XI wickets, an exciting 3/8 from Caitlin Morando and solid opening partnerships throughout.

The equation was that we had to win all four games and have other results go our way to make finals. We had a tough fixture for those last games, coming up against Plenty Valley, Dandenong, Melbourne and EMP. We were lucky enough to secure Kirstie Gordon for the last few rounds which brought some much-needed energy into the group after a tough few weeks. In true Box Hill fashion, we managed to find a way to win all four games ending the season on a high and making finals. The last round of our season really reflects on the exciting future for our first XI with multiple young players stepping up with the bat and ball when it mattered most to get over the line against EMP by 3 runs.

Although we went down to a strong Melbourne team in the semi-final, to make the finals from where we were on the ladder with 4 rounds to go was an amazing achievement.

All our senior players all had a fantastic season setting the benchmark for our young team. Our young bowlers Isa, Ash, Vash, Emma, Jas and Sunny showed lots of potential and made some massive improvements in their games throughout the season becoming more consistent and troubling the best of batters.

I would like to thank all the coaches who helped us out this season - Richard, Josh, Mick, Dave and Billy. You were all fantastic and both myself and the team learned a lot throughout the season. A massive thanks to Sonia O'Farrell for being our scorer and putting up with us constantly asking what the score was as we could never seem to count!

This season we were able to build a really strong foundation with this new young group, hopefully we can go a few better next year and bring home some silverware.

Women's 2nd XI Report

Outstanding Season Performances:

Emma Stilve – 4/16 against Geelong
 Pennie Harrison – 58* against Prahran
 Amelie Gladman – 56* against Carlton
 Yashoda Senarathne - 55 against Melbourne

Despite a season of many changes, the 2XI had a successful year, culminating in a grand final berth against Melbourne (see the round by round summary below for further information).

As can often be the case in the 2XI and lower elevens, player movement between grades as well as availability were factors that resulted in the team having 5 captains during the season and the introduction of first-time players.

Our coach, David Williams, left us during the season and while his stay at the Club was a short one, his messages and goals steered us in the right direction and to the top of the ladder when his journey with us ended. Josh Barr stepped in as match day coach for the second half of the year, supported by Jason McNulty. Thanks to all of our coaches for the contribution you made this season.

Thank you to all players who played in the 2nds this year and congratulations to those who were promoted to the 1XI during the season. It was a great experience to make another grand final and, by again preparing ourselves well in the off-season and pre-season, plus continued hard work and dedication, we will give ourselves the best opportunity to grow and improve in 2022/23.

Highlights

Rounds 1 – 4

Following a washout in Round 1, our first game of the year was against Carlton. We made 5/218 off our 45 overs including a 100 run partnership between Sunny (46*) and Amelie (56*). In reply, Carlton managed 8/187 which included an amazing 4 run outs.

vs Melbourne: In a solid bowling performance where wickets were shared, Melbourne made 7/172. We chased down their score with 2 wickets in hand, Sunny scoring 46*.

vs EMP: A tough day where the opposition made 7/179 and we struggled with the bat. Jaz top scored with 37.

Rounds 5 – 10

vs Geelong: A strong start to the day, with Emma taking 3 early wickets and just missing a hat-trick. Needing 59 to win, there were some early nerves but Sunny (18*) helped steady the ship to get us home in the first of two T20 games for the day.

vs Prahran: We batted first and put on a very solid 121 with some great hitting from Ellen (31 incl. a massive 6) and Sunny (47*). Emma again took a couple of early wickets and our spinning duo of Lani and Vaish took 6 between them to bowl Prahran out for 88. A fantastic drive home from Geelong after taking 20 wickets for the day.

vs Plenty Valley: We restricted PV to 5/66 in the first of two T20 games for the day and quickly chased down the target in the 9th over with the loss of only one wicket. Katherine top scored with a quickfire 33*.

vs EMP: Following an absolute downpour, the game was reduced to a T11. We sent EMP into bat and had them 5/5 before they went on to score 7/42. Katherine and Amelie got us home in the 9th over following a solid 20 run partnership.

vs Geelong: We were sent into bat for our first one-dayer in over a month. A very well-rounded batting display saw Pennie make 35 and 12 year old Lily Parker an important 17* to take our total to 6/192. With Geelong dominating the first few rounds, we knew defending wouldn't be an easy task, however, with 4 wickets from Emma and 2 from debutant Tanya, we bowled them out for 122.

vs Prahran: In what seemed to be perfect batting conditions on a forecasted day of 31 degrees, Prahran was on the back foot early at 5/58 and were eventually bowled out in the 28th over for 74.

While we expected our batters to come out fighting, we did not expect the game to be over in less than 13 overs! Pennie smacked 11 boundaries, making 58* off 42 balls and helping us win comfortably by 10 wickets.

Rounds 12 – 16

Following a bye in round 11, we played a T20 double-header against Carlton and Dandenong and lost both games comprehensively.

vs Plenty Valley: After bowling the opposition out for 89, we chased down the target in just the 17th over.

After another bye in round 15, we finished the home and away season against Melbourne. In reply to Melbourne's 7/209, we only managed 8/166 (Yoshi making a patient 55). This meant we finished

2nd on the ladder and set up a clash with Dandenong in the Semi Final.

Semi-Final

Dandenong won the toss and elected to bat first. We started well and had them 4/23 after the first 10 overs. It then took us another 20 overs before we took our next wicket (and conceding 70 runs) before finishing off the innings in the 41st over for 133. Rituja led the wickets with 3. In reply, we had a strong opening partnership of 57 before winning the game 5 wickets down. Pennie top scored with 36.

Grand Final

On an overcast and damp day, we elected to bat after winning the toss. We didn't have a great start and were on the backfoot at 3/27 after 10 overs. We then lost the next 4 wickets for 20 runs which placed further pressure on the tail, however, a hard fought 40-run partnership between Lani and Rituja helped us reach 113. Although we took an early wicket and put up a good fight, Melbourne passed our score in the 23rd over to win by 7 wickets.

Men's Third XI Report

Ladder position and win-loss records did not make for good reading this season for a young 3rd eleven team that struggled to find its feet. Michael Vozzo returned from retirement to assist with the development of the club's next generation following the departure of several players over an off-season impacted by pandemic restrictions for a second straight year. Unfortunately for Voz, his battle-weary body could not quite hold up to another season of cricket, however, the knowledge and leadership he instilled on the boys will no doubt prove invaluable to the club's future. Week in, week out, the boys would compete against opposition teams forgoing hundreds of games, and decades of experience in what proved to be a highly competitive division. The team's average age hovered between 16 and 20 throughout much of the season. At times, age proved no barrier as the boys competed in several key moments throughout the season. Consistency, however, remained the greatest barrier to converting some of these moments into victories. Despite the limited success experienced by the team, there were several highlights throughout the season where the club's next generation showcased their talent.

Luke Myszka returned for a handful of games this season to help shore up numbers (boosting the average age in the process!) and provided another mature head to lead the development of our younger top order batsman. He capped his year off with a 101 against Donvale Cricket Club in round six, along his way to a total of 269 runs at an average of 44.83 for the season.

Tristan Wainwright continued to impress with his work ethic at training and split his time between the 2nd and 3rd elevens this season. Tristan teamed up with Luke against Donvale for a partnership of 161 runs, bringing up his own century (108*) in the process. Remarkably, Tristan had never passed 50 before this moment. He also picked up a maiden senior five-wicket haul in the first game of the season against Port Melbourne, finishing with figures of 5/33 off nine overs.

Raphael Cramb delivered the team's best bowling figures of the year in a sensational display of off-spin bowling in the final round of the season. Raph finished the match with figures of 5/2 off seven consecutive overs, including four maidens. In conditions not overly friendly for spinners given the amount of overnight rain, Raph demonstrated tremendous control and nuance, especially with his changes in speed and flight.

Finally, the youngest member of the team, Tommy Vozzo, put up a fine display of swing bowling (reminiscent of his old man!) on his way to a maiden five-wicket haul in a dominant team display against Donvale Cricket Club in round six. Tommy finished with figures of 5/29 off six overs. Tommy often proved a challenging prospect for opposition batsmen, especially when his outswinger was on target.

There were plenty of other significant contributions throughout the season. Big Wilbur (Will Hazeldine) frequently proved he had the ability to shift the momentum of a game with either bat, or ball and has hopefully developed the confidence in his abilities to push for higher honors next season. The Reed brothers (Dillon, and Tom) proved to be a dynamic bowling duo whether deployed at the start, or close of an innings, and continued to refine their skills each week. KB (Kyle Brand) showed his versatility after a rocky start to the season with the bat, dropping down the order to provide some late-inning fireworks, whilst also delivering crucial middle overs with the ball – and the occasional opening spell! Arvan

Mayekar grew in confidence as the season progressed, bringing up a well-deserved 70 against a strong Elsternwick side in round seven. He also proved to be quite the dynamic fielder in the gully, pouncing on anything within reach. The Mahadeva brothers, Brinthan and Barathan, provided plenty of laughs from the cordon once Brinthan returned to cricket after some time away from the game. Both Brin, and Baz demonstrated their respective talents throughout the season, and both will prove to be

valued members of the club going forward. Teaming up with young Tommy, Jakey's Peitz and Sheehan also proved age (and size!) to be no barrier in playing senior cricket. Whether it was with the ball, or holding steadfast in defence with bat in hand, both boys will be sure to have success going forward. Finally, I would like to thank our curator, Ben Hammond, for not only playing, but producing some of the best wickets Springfield Park has seen in years. His season came to life when he made the switch to from leg spin to fast bowling, showing a turn of pace and late swing that troubled many top order batsmen towards the end of the season. I apologise if I have missed any other players who represented the team this season. I greatly appreciate your contributions.

I would like to thank Michael for his ongoing support throughout the season. I know that the competitive beast within him was frustrated at the lack of personal and team performance this season, but that did not stop him from supporting from the sidelines every week. I would also like to extend my appreciation to the efforts of Scott Wainwright this season. Whether he was slinging balls down at training at a million miles per hour (a job he enjoys way too much!), or scoring for the boys on a Saturday, he is always willing to lend a hand where he can. Sporting clubs rely on volunteers like Scott to function, and we are grateful to have him (and Tristan) on our side. Special mention to Matt Harvey (Connor's Dad) for also putting his hand up to fill in throughout the season. The old pro even made an appearance as the club's 2nd XI captain this season due to a mid-year covid outbreak. Finally, I would like to thank the parents of all the boys who played in the 3rd XI this season. We would not have a team without the countless hours spent driving the boys to-and-from training and matches every week. Here is hoping to greater success for the boys next season, though I wish that many progress further up the grades as they have all shown the potential to play at a higher standard throughout the season.

Women's Third XI Report

Unfortunately, the 2021/22 season for the women's 3s was defined by COVID. It resulted in another delayed start to the season, with games starting a month and a half later than normal. And when the COVID case numbers took off in early 2022, a round of games (in an already shortened season) was cancelled. For the remainder of the season, the Club had to contend with significant numbers of unavailable players each week, the consequences of which were naturally borne most by the women's 3s and 4s.

However, there were still some great highlights of this short season. Of our 4 wins, the ones against Melbourne in Round 2 and EMP in Round 8 were standouts because they were built on contributions by the entire team. In the game against Melbourne, our bowlers worked really hard to keep Melbourne to 145 on a batter-friendly pitch, then our batters combined well to chase down the runs. In particular, the opening partnership between Carpy and Lily was critical in laying the platform for our win and was exactly the kind of start we want and need to see in the 3s. The win against EMP came in a tight, rain-affected game. Our bowlers worked hard against a strong opposition batting line-up, and then our batters held their nerve, chasing down the rain-reduced target with only a few balls to spare. Lily Parker, our youngest player that day, showed calm far beyond her years and demonstrated what we had all realised by then - that she is going to be a high quality player. The win against EMP meant we went to the Christmas break on a high, with 2 wins in a row.

Another highlight was Carpy's magnificent season with the bat. Carpy scored 269 runs at 38.43. Most significantly, her runs won games for the team – she scored two half centuries and 2 scores of 30+ and the team won 3 out of 4 of those games. In one of those games (against Plenty Valley in Round 14), Carpy and I combined for a 201 run unbeaten partnership – we've played a lot of games together, and that partnership was heaps of fun and meant a lot.

We were excited to welcome some returning players this season, including Chloe Ip who took up a regular spot in the 3s and Kate Schie who returned to play a number of games. We welcomed Eilis Murphy into the 3s in Round 4 and she then took up a regular spot in the batting top-order. We also welcomed Grace Newey, who had played 4s last season, but was a key member of our bowling

line-up this season. Thank you also to a number of regular 4s players who played games with us this year. We hope you enjoyed playing premier cricket and that it has made you hungry to work hard and earn more games next season.

Pleasingly, a number of our regular 3s players had the opportunity to play premier seconds cricket this season. Congratulations to Eleanor Forwood, Tanya Arul, Lily Parker, Tiana Gouldson and Kaya Stavretis. Thank you to the 3s players for their support this season. In particular, a big thanks to Leah for 'keeping wickets all season, in what was supposed to be a 1 or 2 week role.

Thanks to Richard Armstrong, who provided much support and encouragement to me as captain. And a big thank you to Jason McNulty, who worked tirelessly this season in the most challenging circumstances in order to ensure we could field a team as much as possible. Thanks also to the parents who helped out with scoring.

Thank you to Fitzroy Doncaster for allowing us to play our home games at Schramms. We really appreciate the opportunity to play on such a high quality ground.

Finally, I look forward to seeing everyone for a full season next year and to seeing what we can achieve in 2022/23.

Men's Fourth XI Report

2021/22 saw a new format in the lower grades with the competition being split into two divisions for the first time. After winning the premierships in 2020/21 it was a bit of a surprise to find ourselves in the second division but we had large changes to the squad from last season due to retirement, players leaving and most pleasingly elevation through the grades. These changes saw a largely different squad in the current year but we were still able to have a successful season albeit with a disappointing end in losing in the grand final. The large changes were highlighted by only two players appearing in both grand finals.

The home and away season was one of mixed results. We finished the season with a record of 7 wins, 5 losses and 2 draws to finish in 4th position. However, when you break results down further all 7 wins and 1 draw came in our games against the bottom 4 and we had a less than flattering 0 wins, 1 draw and 5 losses against the other finalists.

The finals saw us meet top of the table Croydon in the semi final, who had comfortably beaten us twice during the season. After a promising start where we were 2/96 we lost 6/8 before a match winning partnership from Robbo(24*) and AJ (19*) got us up to 8/159. Despite bowling 41 wides we were able to win our way through to the grand final after bowling Croydon out for 106.

The grand final saw us bat first and despite some good innings from Hubber (35) and Barge (26) we only managed to get to 126 all out. This was probably 20 or 30 less than what we thought was par on the wicket. With the ball our young attack was fantastic and we kept them to 2/40 at drinks and we were still in the game. However, we just couldn't get the breakthroughs we needed and they were able to get home with a few overs to go to see us finish runners up. A great effort with such a young team.

Throughout the season we were inconsistent with the bat but some of the highlights of the home and away season were a 4th XI club record unbeaten opening partnership of 175 against Moorabin (which included an unbeaten 68* from Barathan); 63 from Avi in a win against Moorabin, Robbo's 50 in a loss to Balwyn; and Tom Reed (67) and Comte (75 off

49 balls) sealing a spot in the finals with a great partnership in a must win game against Donvale.

We ended the year with 4 of the top 8 leading run scorers in the competition and Tom Reed deservedly won the batting trophy with 204 runs at 25.50.

For the majority of the season our bowling attack was led by Robbo and supported by a host of young promising bowlers. The season saw Robbo (3/25), Jakey Pietz (4/10 in the semi final and 3/12), AJ (3/31), Avi (4/17) and Dillon Reed (3/29 in the semi final) all finish a game with 3 or more wickets. Tom Reed, Aarth Guha and Jakey Sheehan also bowled some great spells throughout the season. Whilst this provided us with lots of opportunities there were games where we conceded too many free runs through extras.

Jakey Pietz was our most consistent bowler, when he was not filling in with the gloves, and won his bowling trophy taking his wickets at 17 a piece.

It was always pleasing to me that, compared to the other sides in the competition, we had a far greater reliance on youth which is a real promising sign for the club going forward. Many of the Fourth XI will be able to continue to progress through the grades and ultimately look to play in the First XI in future seasons. The club will continue to provide opportunities for our young players to progress and in the Fourth XI we have looked to balance development with team success. This approach saw 3 players that represented the Fourth XI last season making First XI debuts in 21/22 and another 4 play in the Second XI. In total 12 players that played in the First XI this season had

progressed through the Fourth XI or our Craig Shield program which should provide motivation for our promising young prospects to continue to develop their cricket at Box Hill.

A few thanks to end with. To Robbo, Comte and Barge you provided great help throughout the season as a core group of experienced players. A special note to Barge who managed to 'fill in' for 14 games and take his career run tally past 5000! To Des Thornton, thank you for all your efforts as club umpire. You will be sorely missed. To Ben Hammond, thank you for the great wickets you provided at Springfield Park and the extra effort you put in to ensure we got to play in the final game of the season to play ourselves into the finals. Finally a

big thanks to all of the families that continued to come to games and support us throughout the season.

Women's Fourth XI Report

The 21/22 cricket season brought in a lot of hope for Box Hill Cricket Club with the fourth XI competing in the Ringwood District Cricket Association - Grade A, new this year. Overall, we had lots of young players who showed their potential in moving up through the ranks of the club and further strengthening the young talent we have. Namely, Annanya Malhotra receiving the award for Bowling and Batting with an average of 23.57 with the bat. A special shout out to Mackayla Fletchere-Davies who played her first year at BHCC and proves to be a great asset to the club. Despite there being many struggles with COVID and a lot of games unfortunately having to be forfeited, we had lots of games that proved that we are a competitive club at all stages.

A huge shout out to all players who turned up for us this year. We played through many scorching days and most games with a team missing players. There's lots of passion and talent yet to be fully realised and appreciated. I'd like to also mention two great players that have greatly improved throughout the season and show amazing talent and potential in their specific skills. Both being leg spinners, Bhanu Mahendran and Emily Joseph came in strong for us and helped to get through dozens of overs in crazy weather and showed their grit.

Here's to us continuing to improve and fight to be the best we can. Bring on the new season!

Junior's XI Report

Season 2021/22 was a ground-breaking season for our junior program. If I could describe the program in one word, it would be growth.

With only 2 teams in the previous year, this season we were able to increase our number of teams to six Box Hill teams and a shared team with South Caulfield CC. These teams played across Friday nights and Sunday mornings. We played across three leagues this season, a big thank you to Box Hill Reporter District Cricket Association (BHRDCA), Eastern Cricket Association (ECA), and Inner Southeast Cricket (ISEC) Please see the teams/age groups that played with Box Hill this season.

- BHRDCA Fast 9s Boys ECA U 14 Girls
- ISEC U 15 Boys Yellow ECA U 16 Girls
- ISEC U 15 Boys Green
- ISEC U 17 Boys

A big draw factor to play cricket at Box Hill is that we provide turf cricket for our juniors. This was a big hit and is something that we love to provide. Springfield Park is the junior turf facility we use. The other synthetic grounds we used was Bennetswood Reserve and Whitehorse reserve.

We were able to get 25 players for the U15 boys' teams, which was our most participated age group. All other age groups we were able to find enough for one team. With participation numbers ranging from 9 – 13 per team.

Congratulations to the U14 Girls and to the U 15 Boys Green who were able to win the Premiership in their competitions. A long and hard season for both teams and it was nice to get some reward at the end. The U15 Boys team was the best team all year and finished on top of the ladder. Defending their title as the best team in the finals with convincing wins. The U14 Girls team finished second on the ladder and were able to beat the team that finished first for the home and away season.

A Junior club could not run without the help of volunteers. It was great to see so many parents help. Everyone played their part either it be scoring, setting up or packing up. A big thank you and a

shout out to the following people for putting your hand up to be the coach/team manager.

Box Hill was able to provide a specialist training session for the junior players. A big thank you to Kaushal Silver and the Super kings cricket Academy for coming down and doing a session with the boys. We could see that investment from the players and how their willingness to learn from Kaushal. It was a great success, and we would love to continue to provide sessions like these.

All in all, it was a successful season and a season of growth for us. We are looking forward to next season and to continue to provide an excellent junior cricket program for our community.
